Hello All,

The ARRS had one of its best attended annual meetings ever in Vancouver, BC this past spring. Our recent meeting’s program included a wonderful talk by Dr. Jim Youker on his experience with PROJECT HOPE and its ships’ first voyage to Indonesia. 2012 also marks a time of transition for your Senior Radiologists Section (SRS). John Tampas, MD has decided to “pass the baton” and the SRS Committee selected me as its new chair with some pretty big shoes to fill. For more than a decade, John Tampas’ name was synonymous with the SRS. Please extend your gratitude to John for his outstanding leadership in any way you can and you can also do so in person in Washington, DC next April when we meet again. Plans are under way for an exciting program next year in our nation’s capital. Our usual lecture and cocktail reception along with a special tour will be part of our next gathering. Looking ahead, your new chair plans to focus on retention and recruitment of members* and seeks your ideas for how we can enhance our section and support the ARRS in its many societal missions.

*See SRS membership criteria on pg. 4.

Welcome Dr. McClennan!

By Charles E. Kahn,Jr., MD, 2012-13 ARRS President

The American Roentgen Ray Society welcomes Dr. Bruce McClennan as the new chair of the Society’s Senior Radiologists Section (SRS). Dr. McClennan has led a distinguished career in radiology, and is well known for his expertise in genitourinary imaging. He is author of more than 160 peer-reviewed articles, 36 book chapters, and more than 100 scientific and educational presentations. Of note, his first work was published in our society’s journal, the AJR.

Bruce has practiced in several outstanding academic institutions, including the Mallinckrodt Institute of Radiology and Yale University. He served as chair of radiology at Yale University from 1995 to 2002. He has reviewed manuscripts for numerous journals, and has participated on the editorial board of 11 journals, and has been recognized repeatedly as a “top doctor.”

Dr. McClennan was a charter member, fellow, and president of Society of Uroradiology and received their Gold Medal in 2009. He has contributed actively to the RSNA’s program committee for genitourinary radiology and on their public information committee. He has been an active participant in the Academy of Radiology Research, where he has served on their Board of Directors and Executive Committee.

Bruce is a past president of the ARRS and received the ARRS Gold Medal in 2009. ARRS truly has been graced by Bruce’s many contributions and by his willingness to continue to contribute. It is a great pleasure to welcome Dr. Bruce McClennan to his new role as SRS chair.
Happy Birthday!

We would like to wish a very happy birthday to the following members:

**December**
3 – Stuart B. Paster
5 – Harry J. Barr
6 – Stephen F. Albert
9 – Terrence C. Demos
10 – James Whiting
11 – William F. Lindsey
15 – Barry H. Kart
17 – Charles Walter Snyder
26 – Herbert F. Gramm
29 – Barbara L. Carter
30 – John Harley

**January**
10 – Hector A. Chamorro
14 – Bill H. Warren
15 – Harry L. Stein
16 – Jerry Brown
17 – Lewis Wexler
20 – Jack Davis
22 – Gil Brogdon
30 – William Lynch
31 – John M. Dennis

**February**
1 – Theodore J. Castele
7 – John K. Kelly
7 – Simon D. Braun
8 – Norman S. Rosenthal
11 – Robert F. Williams
18 – Kenneth L. Rall
20 – Richard E. Fulton
25 – Bruce L. McClennan

**March**
2 – Frederick Dean
3 – Hector Tin Ging Ma
8 – Vidor Bernstien
16 – Frank E. Mork
16 – Fred A. Lee
20 – Joel A. Schneider
22 – Gordon S. Perlmutter
24 – David H. Forsted
26 – John J. Pittari

Birthdays continues on next page

**Tribute to John Tampas, MD, Past Chair, Senior Radiologists Section**

By Dr. Bruce McClennan, MD

The ARRS expressed interest back in 1999-2000 in developing a Senior Radiologists Section (SRS) with a separate program and social events at its annual meeting. We did not have to look far for enthusiastic leadership of this special section devoted to retired radiologists. As he has done so many times before, John Tampas stepped into the role as chairman of the SRS. John’s contributions to our field are legion and legendary. As secretary of the ARRS at the time the SRS was founded, I confidently remembered my good fortune to have worked with John in Radiology Centennial, Inc. (RCI) as he orchestrated Radiology’s celebration of the 100th anniversary of the discovery of the x-ray in 1995. The SRS was in good hands. Years passed and the SRS grew to over 140 members, and we thrive today within the ARRS family because John Tampas helped us do so. Thank you is the least we can say as he elects to step aside as chairman of SRS. It is the intention of the SRS to name the lecture we all enjoy on opening day of the Annual ARRS Meeting the John Tampas Oration. Thank you so much John!

---

**Guess Who Revealed**

James E. Youker, MD, is medical director and a mammography specialist for Center for Diagnostic Imaging (CDI), a service of Froedtert Hospital.

Dr. Youker received his undergraduate degree from Colgate University in Hamilton, New York and went on to complete his medical degree at the University of Buffalo School of Medicine in Buffalo, New York. After an internship with the University of Minnesota, he completed a radiology residency at the University of Minnesota and participated in a pathology residency at Georgetown University. Dr. Youker also conducted a NIH research fellowship in Malmo, Sweden, with the University of Lund.

In the course of his career, he has served at both Milwaukee County Medical Complex and Froedtert Memorial Lutheran Hospital, where he is also
Guess Who Revealed (continued)

currently director and chair of their department of radiology. Dr. Youker was also a medical officer and a chief of radiology for the United States Navy, and an associate professor of radiology at the Medical College of Virginia and the University of California-San Francisco, where he was a member of the renowned Cardiovascular Research Institute. Other past positions include working in the department of cardiology at St. Vincent’s Hospital in Melbourne, Australia, serving PROJECT HOPE as a radiologist in Indonesia and being an appointed lecturer with several medical centers, including Zablocki Veterans Affairs Medical Center in Milwaukee and the VA in San Francisco.

Dr. Youker has received many honors for his outstanding achievements including the Distinguished Service Award from the Medical College of Wisconsin and the Gold Medal from the Association of University Radiologists.

A Night of Good Times and Good Friends in Vancouver

The beautiful city of Vancouver provided magnificent ambiance for the 2012 SRS reception. Our delightful cocktail hour at the Pan Pacific Hotel on Monday night was the perfect combination of good times and old friends. Be sure to join us next year for the festivities in Washington, DC.

Happy Birthday!
