Radiology’s Trusted Source for Education
As the health care industry and certification requirements change, you need education you can trust to enhance your performance and advance your career. That’s why ARRS regularly reviews and supplements our educational offerings and member benefits to provide the most extensive portfolio of timely practice-based education.
The monthly *American Journal of Roentgenology* (*AJR*) is a world-renowned peer-reviewed journal with a worldwide circulation of close to 23,000. For more than 100 years, *AJR* has been recognized as one of the most respected specialty journals in the world.

*AJR* brings you the latest original research and clinical perspectives to enhance your daily diagnostic and medical imaging practice:

- Original Research Articles
- Best Practices
- Reviews
- Clinical Perspectives
- Technical Innovations
- Opinion Articles

**AJR Online**

*AJR* includes all of the content that is published in the print journal as well as letters, supplemental data, and videos. It also allows you to access expanded features not available in the print version, such as the Collections feature.

**AJR Collections**

With *AJR Collections*, you will have access to current topical content compilations. Each *AJR* Collection contains content published in *AJR* grouped by topic:

- Journal Club Articles
- Video Articles
- Emergency Radiology
- Best Practices
- Noninterpretive Skills
- Dose Reduction for Children and Adults
- Medicolegal Series
- Hallway Conversations in Physics

**96 CME/SA-CME Credits Annually**

In each issue, this prestigious publication offers 8 CME and 8 CME/SA-CME credits exclusively for members. Each article is peer-reviewed and reviewed further for educational credits.

“The information that’s provided in *AJR* gives you a spectrum across all of the specialties.”

—Thomas Berquist, MD

The American Roentgen Ray Society (ARRS) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education activities for physicians. The ARRS designates this journal-based CME activity for a maximum of 1.00 AMA PRA Category 1 Credits™ and 1.00 American Board of Radiology, MOS Part II, Self-Assessment CME (SA-CME) credits. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
